Re: Docket numbers 01-338, 96-98 and 98-147

Dear Ms. Dortch:

Yesterday Praveen Goyal, Covad Communications Company, met with Chris Libertelli regarding the above-referenced dockets. They discussed the need for Commission action to preserve access to line sharing beyond the October 2, 2004 date established by the Commission's line sharing transition rules. Covad urged the Commission to act expeditiously to grant either the Earthlink Petition for Reconsideration or the CHOICE Coalition Petition for Stay of the Commission's decision to phase-out line sharing. Covad also urged the Commission to ensure that, while it took such action, carriers and consumers relying on line sharing would not be cut-off from obtaining new line shared lines under the Commission's looming October 2 deadline.

Respectfully submitted,

/s/ Gregg Hyde
